DECLARATION

KAS BANK Effectenbewaarbedrijf N.V. (also trading under the name KAS Depository Trust Company and hereinafter referred to as KDTC) is custodian and holder of account 90023 with Euroclear. KAS BANK N.V. (the Claimant) owns 100% of the shares in KDTC.

The Claimant is authorised to act on behalf of KDTC pursuant to the Rules Concerning Custody of Securities held by KDTC (the KDTC Rules).

The Claimant uses the services of KDTC for the custody of certain types of securities, in fulfilment of the obligation imposed on the Claimant by Netherlands law and regulations to protect the proprietary interests of its clients in respect of securities placed in custody with it. Since the Anglo-American legal concept of ownership of property by way of trust (or any other similar equitable interest) is not known under Netherlands law, the general position is that securities held by the Claimant for its clients but in its name will form a part of the assets of the Claimant and will therefore fall into its bankruptcy estate unless specific measures to protect the proprietary interests of its clients are taken. This is why such securities are held by KDTC. KDTC's sole object is the custody of securities on behalf of the Claimant's clients and it is prohibited by its Articles of Association from incurring any commercial risk in the conduct of its business. Custody of securities that are held by KDTC for the client's protection is subject to the KDTC Rules. According to Clause 2 of the KDTC Rules the Claimant shall act with respect to the securities held by KDTC on behalf of the clients in accordance with the instructions given by those clients. Under the KDTC Rules, the client has a direct claim on KDTC in respect of the securities held by KDTC on the client's behalf. Since this direct claim would not be affected by bankruptcy of the Claimant under Dutch bankruptcy law, the client's position with regard to securities held by KDTC is safeguarded.

Claims to Purchase a Claim

Certain entities are in the business of purchasing claims for an amount less than the face value of the claims. One or more of these entities may contact the creditor and offer to purchase the claim. Some of the written communications from these entities may easily be confused with official court documentation or communications from the debtor. These entities do not represent the bankruptcy court or the debtor. The creditor has no obligation to sell its claim. However, if the creditor decides to sell its claim, any transfer of such claim is subject to FRBP 3001(e), any applicable provisions of the Bankruptcy Code (11 U.S.C. § 101 et seq.), and any applicable orders of the bankruptcy court.

Appendix

This Proof of Claim (this "Claim") is filed by UBS AG ("Claimant") against Lehman Brothers Holdings Inc. ("Debtor").

This Claim is based on Debtor's issuance or guarantee, as applicable, of the Program Securities listed on the attached Schedule.

The precise amount of this Claim cannot be determined at this time, as it may depend on factors outside Claimant's knowledge and beyond Claimant's control. In each case, the Claim includes principal, accrued interest, any enhanced return on principal, and expenses to the extent permitted by the governing documents and applicable law.

Accordingly, the aggregate amount of this Claim is to be determined.

Because these securities are Lehman Program Securities, as defined in the Court's July 2, 2009 order, Claimant is not required to complete a Guarantee Questionnaire or to provide any information other that that provided herein in support of this Claim.

Reservation of Rights

This Claim is filed under the compulsion of the bar date established in these chapter 11 proceedings and is filed to protect Claimant from forfeiture of claims by reason of said bar date. Claimant reserves its right to amend and/or supplement this Claim for the purposes and to the extent permitted by applicable law.

Claimant reserves all of its rights and defenses, whether under title 11 of the United States Code or other applicable law, as to any claims that may be asserted against Claimant by Debtor, including, without limitation, any rights of setoff and/or recoupment not expressly asserted above. Claimant further reserves all of its rights as against the other debtors in these chapter 11 proceedings.

Claimant further reserves all rights accruing to it, and the filing of this Claim is not and shall not be deemed or construed as (i) a waiver, release, or limitation of Claimant's rights against any person, entity, or property (including, without limitation, Debtor or any other person or entity that is or may become a debtor in a case pending in this Court); (ii) a consent by Claimant to the jurisdiction or venue of this Court or any other court with respect to proceedings, if any, commenced in any case against or otherwise involving Claimant; (iii) a waiver, release, or limitation of Claimant's right to trial by jury in this Court or any other court in any proceeding as to any and all matters so triable herein, whether or not the same be designated legal or private rights or in any case, controversy, or proceeding related hereto, notwithstanding the designation or not of such matters as "core proceedings" pursuant to 28 U.S.C. § 157(b)(2), and whether such jury trial right is pursuant to statute or the U.S. Constitution; (iv) a consent by Claimant to a jury trial in this Court or any other court in any proceeding as to any and all matters so triable herein or in any case, controversy, or proceeding related hereto, pursuant to 28 U.S.C. § 157(e) or otherwise; (v) a waiver, release, or limitation of Claimant's right to have any and all final orders in any and all non-core matters or proceedings entered only after de novo review by a U.S. District Court Judge; (vi) a waiver of the right to move to withdraw the reference with respect to the subject matter of this Claim, any objection thereto or other proceeding which may be commenced in this case against or otherwise involving Claimant; (vii) an election of remedies; or (viii) a consent to the final determination or adjudication of any claim or right pursuant to 28 U.S.C. § 157(c).
